WM. E. PELL, PROPRIETOR.

Long Live Seymour and Blair!

BY A BEAUFORT COUNTY DEMOCRAT.

Air—Aura Lee.

Come, comrades, all with us rejoice,
And swell our chorus high,
Seymour and Blair—the people's choice,
By them we'll live and die.

CHORUS.

Hurra, hurra! Hurra, hurra!
Long live, Seymour and Blair,
We'll raise their gallant flag on high,
And swear by them to die. (Repeat.)

Our rights as freemen we'll maintain,
And ever constant be;
Seymour and Blair, our champions are,
To lead to Victory
Hurra, hurra &c.

With Scallawags and carpet-bags,
Our country's flooded o er,
But Grant may rant, he cant scare Blair
Nor can he bag Seymour
Hurra, hurra, &c.

November next, the Rads perplexed,
Before our hosts will fly,
They'll move their bags, haul down their flags,
And say to Cuff "Good Bye,"
Hurra, hurra, &c.

Then Peace once more, will hover o'er
This troubled land of ours,
Her white wings bearing back once more,
The long lost tranquil hours.
Hurra, hurra, &c.

Come rally then, ye gallant men,
And save our country fair,
Let all our hopes and all our votes,
Be for SEYMOUR and for BLAIR.
Hurra, hurra, &c.

NOMINATING CONVENTION OF FIFTH DISTRICT.

GREENSBORO, N. C., Sept. 8, 1868.

The Delegates appointed by the different counties of the Fifth Congressional District met in the Odd Fellows Hall.

The meeting was called to order by Gen. A. M. Scales, who after a few remarks moved that Ralph Gorrell, Esq., be called to the Chair. On taking the chair, Mr. Gorrell, delivered a short, but forcible address.

On motion of S. P. Hill, Esq., G. M. Mathews, of Forsythe, and Jas. W. Albright, of Guilford, were appointed Secretaries.

Upon a call by counties, delegates were ascertained to be present from all the counties except Surry and Stanly.

On motion of S. P. Hill, a Committee of one from each County was appointed, to suggest suitable names for Elector on the Presidential ticket and for candidate for Congress, of this District. The following gentlemen were appointed: Alamance, Col. A. McAllister; Caswell, Hon. John Kerr; Davidson, C. F. Lowe; Person, W. H. Smith; Guilford, D. F. Caldwell; Forsythe, G. M. Mathes; Stokes, Sterling Adams; Randolph, J. F. Rush; Rockingham, Gen. A. M. Scales.

While the Committee was out the meeting was addressed by S. P. Hill, Thos. Ruffin, jr; Hon. J. R. McLean was called out, but was too unwell to respond.

Hon. John Kerr, as Chairman of the Committee on nominations, reported the following:

For Congress.—LIVINGSTON BROWN, of Caswell.

For Elector.—M. S. ROBINS, of Randolph.

The nominations were unanimously concurred in.

On motion, five additional sub-electors were appointed for each County, to-wit:

Alamance.—Wm Patterson, Jas A Graham, Dr Jno A Moore, Jas E Boyd, David W Kerr.

Caswell.—Hon John Kerr, S P Hill, Giles Mebane, E B Withers, Phillip Hodnett.

Stokes.—Dr D Hay, Col S M Hughes, Col J M Covington, Joel F Hill, Thos J Valentine.

Davidson.—Gen J M Leach, F C Robbins, J H Welborn, M H Pinnix, H N Heitman.

Randolph.—J E Walker, Z F Rush, Dr B Craven, Dr Alfred Holton, Dr J W Worth.

Rockingham.—Jones W Burton, Wm D Bethell, Robert H Ward, A J Boyd, Wm N Mebane.

Forsythe.—Col T J Wilson, Col Jos Masten, Jas E Matthews, Dr E Kerner, G M Mathes.

Person.—Henry T Jordan, John W Cunningham, W A Bradsher, M McGee, W T Noel.

Guilford.—L M Scott, P F Duffy, W W King, Col I J Scales, N P Rankin.

The following resolution, offered by Hon John Kerr, was unanimously adopted:

That this Convention, representing the feelings and wishes of the people of this Congressional District, are duly sensible of their obligations of gratitude to David F Caldwell, Esq., for his earnest devotion to the interests of our country, and especially for the ability displayed by him in defence of the principles of the Democratic Conservative party in the late canvass for Congress in this District.

In response to this resolution, Mr Caldwell came forward and tendered his grateful acknowledgements in a highly patriotic speech.

Gov. Graham came in and was warmly cheered and invited to a seat.

The Court House being declared vacant, the chair announced that the further proceedings would be conducted from that place. The house was soon densely packed and, on being called to order, Mr. Livingston Brown came forward and in an able speech accepted the nomination.

It was then unanimously

Resolved, That, while we deprecate any and all violence and earnestly desire peace and good order, we will, nevertheless, maintain our just rights and the rights of all who are associated with us in our struggle for the restoration of civil liberty; and especially will we support and defend those generous, brave and grateful colored people who have united with the Democratic party, and who stand exposed to the insults and injuries of Radicals, and who, without our aid, will be subjected to such coercion as will deprive them of the right of voting as they please.

Gen. J. M. Leach, being called on, then addressed the Convention.

It was moved that the Chair notify Mr. Robbins of his election as Elector and request him to accept and canvass the District.

The following resolutions were unanimously adopted:

Resolved, That P. F. Duffy, Esq., has won our admiration and entitled himself to our thanks by his brilliant efforts in the cause of civil liberty; we hail him as a friend and tender him our best wishes for his prosperity in all his future life.

Resolved, That the proceedings be published in the Raleigh *Sentinel*, Winston *Sentinel* and Greensboro' *Patriot and Times*.

The Convention then adjourned.

OF NEW YORK.

GEN. FRANK P. BLAIR,

OF MISSOURI.

FOR CONGRESS,

HON. SION H. ROGERS, OF WAKE.

ELECTORAL TICKET.

FOR THE STATE AT LARGE.

DISTRICTS.

1st—THOMAS J. JARVIS, OF TYRRELL.
2nd—JNO. HUGHES, OF CRAVEN.
3rd—JAS. C. DOBBIN, OF CUMBERLAND.
4th—WHARTON J. GREEN, OF WARREN.
5th—M. S. ROBINS, OF RANDOLPH.
6th—W. M. ROBBINS, OF ROWAN.
7th—L. M. McAFEE, OF CLEAVELAND.

Resolved, That we approve of the platform of principles adopted by the National Democratic Convention. It palters in no double sense—its language is explicit and its meaning clear—the issues presented to the country are plainly and unmistakably defined, and, with a free and fair election, we confidently believe they will be endorsed by a large majority of the people—and with that endorsement must come such a change in the administration of the National Government as will restore the Constitution and give peace, harmony and prosperity to the country, and especially to the down-trodden States of the South.

Resolved, That it is our earnest desire and intention to bring about these wholesome and necessary changes by the peaceful means of the ballot-box—and all efforts to produce a contrary belief, coming from what quarter they may, are but the tricks of interested partizans of a desperate political faction, bent upon perpetuating its power by any means and at all hazards. They are attempting to alarm the people of this State by the false cry of revolution and war, threatening them at the same time with military force; while, in other States of the South, they have not hesitated to take from the people the election of electors of President and Vice President, and to confer it upon Legislatures, the members of which were elected under military rule without freedom of choice and with no regard to the question of the Presidency, in order to secure the electoral votes of such States for the Radical candidates, in disregard and defiance of the just rights of the people of such States, and of the whole country.

Resolved, That it is our frank purpose now, and has been since the close of our late civil war, to accept and abide by, in good faith and without disturbance, the legitimate results and consequences of that war; to yield to the Government of the United States a cheerful submission and allegiance, and to perform all the obligations of good citizens to their rightful Government. And we do proclaim that, in asking recognition on terms of equality in that grand copartnership of States which constitutes our Federal Union, we do so with no hostile intent; on the contrary, we wish to share its benefits and its duties; to rebuild our waste places under the protection of its flag; to re-establish the old era of good feeling in our common country; to thwart the designs of unpatriotic men everywhere, who seek to perpetuate discord and division; and to participate in the blessings, as well as the burdens, of the government.—*Resolutions adopted by the State Democratic Convention of North Carolina, Aug. 14, 1868.*

ACCEPTANCE OF THE HON. SION H. ROGERS.

We are authorized to say that the Hon. Sion H. Rogers has been waited upon by Maj. R. W. York, Chairman of the Committee appointed at the late Franklinton Convention to notify him of his unanimous nomination for Congress, and that he promptly accepted it. Mr. Rogers will at once proceed to a vigorous and active canvass of the District. He will do his whole duty, and we believe that he will be elected.

THE WAY THEY LIE.—We learn that certain leading Radicals in Chatham, alarmed at the general indignation caused by Holden's appointment of negro magistrates in that County, are asserting that they were recommended by Conservatives, and that "C. A." Holden did not know that they were negroes; *if he had so known*, he would not have appointed them, &c. This, of course, is a lie. Holden appointed them of choice in this County, and elsewhere, for the purpose of humiliating white men.

Again, we are told that Col. Deweese stated, in a speech in Chatham, that the Distillation Tax had been *repealed*, by the Radical Congress, (and by his efforts, we suppose,) and that the farmers might go on distilling. Any farmer, who is silly enough to be deceived in this way, will soon find the Revenue officers down upon him with heavy penalties of fine and imprisonment.

Further, we hear that one Long, who was a member of the House of Representatives from Chatham, asserts it about among the ignorant, that the Radical party is not responsible for the tax on distillation, but that Congress adjourned in confusion, (dispersed by Deweese!) and that a Democratic Secretary of *War* has the manipulation of the whole matter! Comment is unnecessary.

WHY IS IT, that United States 6 per cents (five twenties) do not sell in the markets of the world as high as Prussian, Russian, Moorish or Brazilian 5 per cents? The *World* says it is because the country cannot carry $3,000,000,000 of debt and the "foul leeches" besides. *Down with the infamous spoilers!*

"LET US HAVE PEACE."—The Radicals say that the South is less loyal and in a worse condition than it has been since the war. No wonder. It is astounding that Radical rule, carpet-bagism and negro insolence have not caused the bitterest retaliation and violence. Should Grant be elected, there will be no chance for peace.

THE PUBLIC DEBT—RESPONSIBILITY OF THE PEOPLE.

It is of the utmost importance that the people shall be kept fully advised of the extent of their public responsibilities. The just debts of the National and State governments are held to be inviolable. Every resident of the State is held, in law, bound for his share of the principal and interest of the National and State debts. There is no evading it, but by a resort to fraud, which the great body of the people will take care shall not be done.

NATIONAL DEBT.

The Secretary of the Treasury announces that the public debt of the United States, on the 1st. of September, (inst.) is $2,643,256,285,01. From this deduct $107,641,971,98, cash in the Treasury, and it leaves the debt $2,535,614,313,03. This shows that the public debt has been increased $12,078,822,56 during the month of August.

There have been collected, out of the people of the United States, from all sources, since the war, by this Radical government, $1,500,000,000 and yet the public debt has been increased, and is constantly increasing, under their management. It is said that the portion of North Carolina of the Federal public debt is about $70,000,000. The annual interest on this will be $4,200,000.

STATE DEBT AND PROBABLE EXPENDITURES.

On the 1st. of January, 1869, the funded debt of the State, upon which interest must be paid, by the State, will be $16,361,000.—Besides this, the Western N. C. Railroad will call for the bonds authorized by the late Legislature, to the amount of $4,000,000. The conditions upon which this appropriation was made will be complied with promptly by the Road, and the bonds will be on interest by the 1st. of January next. If so, the interest to be provided for, during the next twelve months, will be as follows:

On the old debt,	$981,960
On the $4,000,000 for Western N. C. Road,	240,000
Interest to be paid next year,	1,221,960
Expenses of State government (ordinary,)	320,000
Cost of County and Municipal governments,	500,000
Public education, (heretofore cost the Literary Fund and people about $400,000 annually,) under the new regime,	600,000
Penitentiary till completed, annually,	100,000
	$2,871,960

It will be seen, that, making the most ordinary allowance for the foregoing expenditures, (and they will fall short of the actual expenditure,) if the Public School system and Penitentiary are gone into and the new county governments inaugurated, the people of North Carolina will be required to pay, within the next 12 months, on the interest of the State debt, and to meet the expenses of the Radical State governments, contemplated by them, $2,871,000!! Can it be done? Can the cash be forced out of these people to pay that sum, without absolute ruin? And yet, in this, we have made no estimate for the expense of Holden's detailed militia or for Federal taxes.

TOURGEE ON THE BENCH.—Guilford Superior Court was in session last week, and Tourgee made his *dabut* as "Judge." We learn that he exhibited as much ignorance of the "New York Code," of which he can claim the paternity in our State, as he unjustly claimed the paternity of the Constitution. The Greensboro' *Times* charges him with announcing, *from his judicial seat*, "that he had been, was then, and ever expected to be, a decided partisan," and he proved it, shortly thereafter, by making a partisan speech in a Radical meeting. He is a disgrace to the bench.

The *Times* also alludes to other shameful utterances of this man, in his charge to the Grand Jury:

"He said that the unusual amount of larceny was attributable to two causes—first, the negroes, from the very nature of their position, had been *taught* to steal, and believed it was no robbery to appropriate their masters' goods to their use—it being merely a change of form, but not of ownership." [The Judge, however, failed to say that he *was* held that opinion, and so advised the colored suffragans, and that "the official organ of the State" *now* boldly proclaims it and advises the negroes to steal from their old masters.] "The second class of rogues were the soldiery, who, from the lawlessness imbibed during a civil war, had learned to steal." This was intended as a slur upon the Confederate soldiery—which, as a whole, receives the praise of all fair minded men for their devotion, their patriotism, their submission *to all law*—even though some of these laws are obnoxious to them and all other gentlemen. This was a wanton, unprovoked and very undignified assault, and cannot be palliated, even by the fact that the Judge was probably speaking from experience,—as he claims to have been for years in the Federal corps of one of the most noted pilfagers that ever robbed a hen-roost or made war upon the smoke houses and pantrys of defenceless women."

REGISTRATION.

Let it be remembered that the Registrars begin the registration in the several counties on the 15th. of October next, and will continue to register the names of qualified voters until the election.

Let it be remembered that the law says he may register, *at all times*, between the 15th and the election. But remember that the same law afterwards says, that all persons may *be challenged*, at the time of registration, and not at the election. It is plain, therefore, that the intention of the law is to make the Registrar advertise the time and place when he will receive names for registration, and that he shall only receive them at such time and place. What the Registrar does must be *open* to challenge; otherwise, he will be liable to indictment.

Seymour and Blair Clubs must see to it, that they have men TO ATTEND TO THE REGISTRATION.

"LET US HAVE PEACE."—In 1865, after the war closed, or ought to have closed, the public debt was put down at $2,423,437,002,18. In 1868, it is $2,643,256,285, showing an increase of $219,819,282,82. The spoils party have spent $1,500,000,000 since the war, and yet the public debt has been increased. *Down with the spoilers*—THEY ARE THIEVES AND ROBBERS!

THE "WHISKEY RING."

It is impossible for the plain, honest citizen to have any adequate conception of the fraud and corruption of the Radical party, in or out of Congress. That party seeks not the good of the country; on the contrary, it seeks to destroy the Constitution and establish its own power and enrich its *leading* votaries by every conceivable political or other appliance. Almost every measure of legislation is tainted with venality and is made to subserve the purposes of Radicalism.

The truth of this statement is glaringly manifested in the provisions of the Internal Revenue law, in reference to the distillation of spirituous liquors. At Washington, in New York, Cincinnati and other great centres, there exists an organization called the "Whiskey Ring." This "Ring" is composed of men of great wealth and monied influence, and they do not hesitate to use their money to influence any measure that may come before Congress, in which they have any special interest. By creating a *monopoly* in the *distillation of spirits* they make millions of money. This they accomplish by procuring Congress to pass such a revenue law, as will tax the man of *small* means *so much* that he cannot afford to pay the tax and distill; *they* can afford to do all the distilling; they create, in this way, a *monopoly* and amass immense fortunes at the expense of the common people. They procure the passage of these laws by the *free use* of money among corrupt members of Congress. They do all the distilling, put spirits at any price they please, and, through their immense sums of money, buy up the Revenue officers and perpetrate all sorts of fraud upon the government.—It is estimated that these rich "Whiskey Ring" men, last year, defrauded the government out of several millions of dollars of revenue. It will be seen that they can, by means of such fraud, afford to pay corrupt members of Congress an Internal Revenue officers immense sums and then make large fortunes. This is notoriously true all over the Northern States of the Union. The influence of these men of wealth is dignified by the name of "Whiskey Ring." It has become a *great power* in Congress and the country, and it has been brought into existence and sustained by the Radical party in Congress, as the journals of Congress show. For the sake of money, thus corruptly obtained, the interests of the government are abused and the *common people* are oppressed and virtually deprived of their right to distill their fruit and grain, as in the days when better men and better parties ruled.

The law, as it now stands, requires every man, *before* he distills a drop of spirits, to pay $400 *special tax*, and then to pay fifty cents on every gallon distilled. Besides this, he is compelled to provide very expensive *metres*, by which the character of the spirits is determined, and he has to give bonds, keep books and records of a very complicated character. If he fails to do this, he is to be indicted in the United States Courts, fined in large sums and imprisoned. This is true, as any one can learn by reading the law, or consulting a Revenue officer. Now, is it not manifest that a man of ordinary means can't distill? One dare not distill a *drop* of spirits without paying this tax and going through all these expensive regulations. The plain, small men of the country cannot distill, but this "Whiskey Ring" man can; $400 special tax is nothing to him. *He* makes spirits by the millions of gallons, and sells at his own price; *he* has the *monopoly*; he buys Congress and the Revenue officers, and thus, in the matter of *whiskey*, *rules* the country.

Now we are not the advocates of Whiskey making or drinking, but we feel it to be our duty to call such a state of corruption in public life to the attention of the people, and let them see how they are in this respect, as well as others, oppressed and deprived of common right. Will any man sustain a party that will thus establish a corrupt oligarchy, oppress the people and rob them of their rights? This system of corruption is one of the *chief means* of Radical success; in this way the *leaders* of the party keep it up to the detriment of the whole country. Let the people rise in their strength and put down so infamous, corrupting and oppressive a political organization!

MAGISTRATES AND COMMISSIONERS.—We understand that, in several counties of the State, there are no Commissioners who have qualified, nor has the "Governor" appointed either Justices of the Peace or Commissioners. This is said to be the case in Nash county. If so, why is it the "Governor" has *not* appointed them? According to the law, no one can be a Registrar but a Magistrate. Is it intended to prevent an election in those counties? The registration law, however, is imperious upon the "Governor" to appoint Registrars and pollkeepers, if the Commissioners fail to to do it.

WATCH THEM.—It is the easiest thing in the world to tell a scallawag or carpet bag man, wherever you see either.

Your scalawag walks along with depressed head and down cast eyes, as if he were ashamed of himself, and dared not look a decent man in the face. He has the whipped dog look, all over.

The carpet-bagger walks rapidly and nervously, as if in pursuit of plunder, giving an occasional hasty look to the rear, as if to observe if a detective is after him. He is an object of profound admiration, however, among the colored fair, and that makes up, in his estimation, for the general aversion which pursues him.

HOLDEN has appointed a United States Bureau officer a Militia Colonel in Anson. Congress says that Holden shall not organize a Militia, and yet he is defying Congress, and a United States officer accepts a Commission under him!

We again call the attention of the President and Secretary of War to these things.

RADICAL MOTTO—"We'll fight it out on lyin' if it takes all Summer."

JUDICIAL BLUNDERING.

There will be more than a plenty of this under the present *regime*, while it lasts.—We shall occasionally give instances, in order to let the people see what manner of Judges, so-called, have been selected to administer the law.

At the last term of Warren Superior Court, a couple of negro women were tried, before Judge Watts, for burning the dwelling house of Mr. John Bullock. The jury did not agree upon their verdict, and before the end of the term, his Honor left, directing the Sheriff to keep the jury together, and, in case they rendered no verdict, to carry them to Louisburg on the Monday following, where he would be holding the Court of Franklin county! The Jury were, accordingly, carried, by the Sheriff of Warren, to Louisburg. There the Judge, after asking the opinion of the Bar, concluded that he had made a mistake, and thereupon he discharged the jury and remanded the prisoners for another trial; and now the question arises, whether they can be tried again?

The last Legislature made arson a Penitentiary offence only, though as yet we have no Penitentiary. Before, it was a capital felony. We are informed that the Revised Code provided that, where a trial for capital felony was not finished before the end of a term, the presiding Judge should extend the term until the trial was finished, and that the new Code of practice makes a similar provision for all felonies. Both of these provisions, of course, exclude the idea that the old English law is in force in North Carolina, under which, it is said, that, in ages gone by, hung jurics were sometimes carried around the circuit with the Judge, in carts.

We are told that the Judge should have either discharged the jury at the end of the term, or continued the term as provided by law. He did neither, but undertook to *cart* the Jury into a verdict. What is to be the effect, of course we leave to the lawyers to decide.

UNIVERSITY OF MARYLAND.—We call attention to the advertisement of the School of Medicine of the Maryland University, in another part of to day's paper. It is located in the city of Baltimore, and is an old and well established school,—this being its sixty first session.

Its Faculty is composed of the ablest and most eminent men of science in the city, and is equal, as a whole, to that of the best schools of Philadelphia or New York. We are informed that at no time have more strenuous efforts been made to furnish a thorough course of lectures on the different branches of Medical Science.

We do not know the number of Southern students attending Northern medical schools, but in one alone there were sixty-five last year. It is time this should cease, and when the same facilities for literary and scientific education are afforded by our own Institutions, they should receive our patronage. Let us encourage our own people, foster home Institutions, and thus aid in raising the South to that position which she should occupy. Let us cease to pour our wealth into the lap of our oppressors, and to strengthen their hands for further wrongs.

This Institution has peculiar claims to our gratitude and respect. While many of the Northern Professors are rampant Radicals, three of the Faculty of this School sent their sons to join the Southern army, one of whom died in the Confederate service.—None of the others had sons old enough for military service, but manifested their sympathy with the South by their efforts to relieve the sufferings and supply the wants of the Confederate soldiers who were captured and carried North as prisoners of war. Every one, save one, who is from North Carolina, and has removed to Baltimore since the war, was disfranchised on account of his strong Southern sympathies and feelings. One of them presided over the Peace Convention which assembled in Baltimore, and remained in his seat while a crowd of Radical ruffians rushed in and threatened his life. He was afterwards only saved from arrest by the Commandant of the Fort, who wished his services for a sick child. After the battle of Gettysburg, two of them left their practice and went to the relief of our wounded soldiers, one remaining three weeks, and nearly losing his life by the accidental wounding of his hand, while operating on a Southern soldier.

Besides these old Professors, whose principles have been manifested, under such trying circumstances, there has been recently added to the Faculty Dr. W. T. Howard, of North Carolina, whose medical reputation is well known throughout the State.—We think we do injustice to no one when we say that, in the literature of his profession, and in thorough scientific attainments and skill as a practitioner of medicine, he has left few equals, and no superiors, in our midst. Devoted to his profession, he has given to its study all the energies of his powerful and highly cultivated mind, and is well entitled to stand in the front rank of Professors. He is thoroughly Southern in all his feelings and principles, and the student in this school will find in him a warm and sympathizing friend, a kind adviser, and one ever ready to aid him in the prosecution of his studies.

The Institution has never closed its doors on the deserving student, but always finds a way to give him the benefit of its teachings on terms alike honorable and liberal.

We hope that an Institution, with so much to recommend it, will receive the patronage which its merits deserve.

ANOTHER FALSEHOOD.—As we expected, the recent Executive account of outrages in Anson turns out to be utterly untrue. The Wadesboro *Argus* says that the informant, who ever he may be, "is a mischief maker and a liar."

EVERY soldier costs $2,000 a year, and Holden proposes ("Let us have Peace!") to raise a Detailed Militia of 6,000 negro soldiers. See what this will cost our impoverished and over taxed people.

"EASTERN DEMOCRAT."—Messrs. James H. and Henry C. Pool, of Newbern, propose to publish a Weekly paper with the above title. Success to our young friends. They will get up a capital paper.

HOLDEN has appointed a Freedmen's Bureau carpet-bagger Mayor of Asheville.

ALL THE Germans in Davenport, Iowa, are Democrats.

The Great Mass Meeting in Fayetteville!

FIVE THOUSAND GOOD AND TRUE MEN ASSEMBLED!!

SPEECHES, PROCESSION, BONFIRES, &c., &c., &c.

FAYETTEVILLE, Aug. 9, 1868.

GENTLEMEN:—The Convention of the third Congressional District has just organized, Col. W. L. Steele, of Richmond County, in the Chair, as presiding officer.

Language is too feeble to express the enthusiasm which pervades all classes. We EXPECTED A LARGE OUTPOURING *from every County*, AND WE ARE NOT DISAPPOINTED. The crowd is said to be larger than was at the State Convention at Raleigh, and they are coming in from every quarter. Public speaking, from white and colored delegates, last night, and this morning, with telling effect. We are making the Radical elements tremble, and by November we hope to make them totter to the ground. The carpet-baggers and scallawags get it from the colored speakers, without stint; their duplicity exposed, and their hypocrisy made apparent.

It is estimated there are between FOUR AND FIVE THOUSAND GOOD AND TRUE MEN NOW IN COUNCIL, all in the best spirits, and determined to roll up a large majority for Seymour and Blair in the coming election. Yours, &c.

FAYETTEVILLE, THURSDAY MORNING, Aug. 10, 1868.

Gentlemen:—The Convention has just, by acclamation, nominated Col. Atlmand A. McKoy, of Sampson county, as the candidate of the Democratic Conservative party for Congress, and James C. Dobbin, of Cumberland, Elector for the Third District.

The Convention adjourned, after promising each other to go home and use all fair and honorable means to secure the election of both their candidates.

Thus has ended the largest and most enthusiastic gathering ever seen in old Fayetteville. Fully *five thousand* persons were present. Every county in the District was represented, and the very best of feeling prevailed.

Last night, amidst bonfires, transparencies and illumination, the immense crowd paraded the several streets, and listened to stirring speeches from many distinguished speakers.

You may depend upon it, the Third District will redeem itself in November and roll up a large majority for Seymour and Blair and for Constitutional liberty.

Yours, &c.

Daily for that period	3 mos.	$2 00
Semi-Weekly "	3 mos.	1.00
Weekly "	3 mos:	
For individual subscribers		50.
" Clubs of five and upwards		40.

The *Sentinel* shall not be excelled in efficiency by any other Campaign paper in the country.

NEW ADVERTISEMENTS.—Carriage and Buggy Materials: J. Brown (with Hart & Lewis.)

McCauley, Freeland & Co., Grocers and Commission Merchants, Hargett St., Raleigh: This is a new native Firm, just commencing business in this City, composed of energetic, worthy, reliable gentlemen. We invite attention to their attractive announcement in another column, and welcome them to our community.

THANKS to a friend in Chatham for a handsome list of subscribers.

EASTERN WARD CLUB.—There was a spirited meeting of the Seymour and Blair Club of the Eastern Ward on Friday night. Thirty *six* new members were admitted—making an aggregate of nearly 200. The Club was briefly addressed by Seaton Gales, Esq. Our friends in this Ward will soon have a suitable room in which to hold their meetings. They are enthusiastic and *working* men.

POLE RAISING.—The necessary arrangements are being made for the great pole-raising soon to take place in this City. It is in contemplation to have a large attendance of our friends from the country, and to make the occasion an enthusiastic one, every way. The time will be announced in due season.

We are gratified to learn that the fair ladies of the City, with their usual patriotism, will present a beautiful Flag to the Seymour and Blair men of the City, to be hoisted on the pole.

NEW FAMILY GROCERY.—Our friend, Wm. G. Briggs, who has just opened a new Family Grocery, two doors above the Yarboro' House, has laid us under obligations by the present of some fine Mullet. Mr. B. will keep a good assortment of everything in his line, and we hope will be liberally patronized.

MANGUM'S STORE.—A large Democratic and Conservative Barbecue will come off at Mangum's Store, Orange Co., on Saturday next, 19th. inst. A great crowd and a good time are anticipated. The people will be addressed by the Hon. Josiah Turner, Jr., and Hon. Sion. H. Rogers.

MASS MEETINGS.—Full arrangements have been made for a great Democratic Mass Meeting in Tarboro, on the 24th. day of October. It is the determination to make it the grandest demonstration ever held in the Eastern part of the State.

The Democrats and Conservatives of Rowan propose holding a grand Mass Meeting in Washington, on Wednesday next, 16th. inst.

The Barbecue and Mass Meeting in Asheville, on the 1st. of October, promises to be a splendid success. The liberality of the people of Buncombe is being displayed by their bountiful contributions of provisions, while those who subscribe money do so by the $5, $10 and $25. The *News* expects to meet *ten thousand* of the true men and women of the Western Counties on the occasion. A fine band of music is engaged, a large Seymour and Blair Flag, made by our true Southern ladies, will be raised, and a cavalcade of 500 noble hearted mounted mountaineers, from Haywood, Jackson and Macon counties, will join in the procession.

THE TWO JOES—MORE FRUITS OF THE LEGISLATIVE ADDRESS.—Prince Jo and carpet bag Jo spoke in Bladen on Wednesday. *Six* white men and a number of negroes made up their audience. Neither of the speakers could be heard, on account of the vicinity of a large frog-pond.

A colored man, who voted the Conservative ticket at the last election and now belongs to the Democratic Club, was taken up and marched about the place at the muzzle of guns, with threats that, if he voted the Democratic ticket again, they intended to hang him. This inoffensive man was not there on his own account, but merely passing by on business. This is Grant's idea of *peace*.

FLORIN ASHLEY, who calls himself a preacher, we understand, addressed the Grant and Colfax Club, in the Court House, in this city, on Friday night. We learn he talked a good deal about the Senior Editor of the *Sentinel*, about his being a preacher and yet a politician, but, on winding up, seemed to remember that *he* professed to be a preacher himself, and concluded that preachers had as much right to feel an interest in politics and take a part, if they thought proper, as any one else!! We have not heard whether the Pilgrim denied the reports we gave of his speech at Auburn, or not.

MR. "SOLICITOR" John Vicar Sherrard is said to have got affairs so tangled in his Judicial District, that it would take forty Philadelphia lawyers to unravel them.—John is about as competent, however, as most of his brother Radical officials.

OH DEAR.—That "Gov." Holden has furnished the old Massachusetts carpet-bagger, who lately hustled the Supreme Court out of their room, with a fine Brussels carpet, at the expense of the State. The Supreme Court goes to the cock-loft.—When it is intimated, in their joint presence, that the Supreme Court may "yet come to its own," old Passamaquoddy places his fore-digits on his nose, and the "Gov." winks knowingly.

LET US HAVE PEACE!

WAKE COUNTY IN A BLAZE!

IMMENSE RADICAL GATHERING!!

THE MASSES ASTIR!!

The COUNTY CONVENTION of the Radical party, which had been announced for some weeks before, with quite a flourish of trumpets, assembled at the Court House in this City, on Saturday, at 12 o'clock, M.

After ringing the bell for half an hour, some six or eight of the brethren, white and black, were collected.

On motion, Friday Jones was sent out to the high-ways and by-ways for recruits. He succeeded in *rallying* Dr. Patterson, brother Brodie, Uncle Handy, D. A. Wicker, and about half a dozen other recruits.

Whereupon, the meeting was organized, had a speech from Tim Lee, and an antiquated African, appointed delegates to the District Convention, and soon after adjourned in silence and sadness—each particular member leaving with a scared look out of the eyes.

"N. Paige & Co," not having been represented, we felt in duty bound to have a special Reporter on the spot.

DISCUSSION IN TROY!

Brutal and Cowardly Conduct of one of Holden's Colonels!

DOCKERY'S WAR CIRCULAR!!

TROY, N. C., Sept. 10th, 1868.

Messrs. Editors:—This is Court week in Montgomery County—Judge Buxton presiding. Little doing, except on the criminal docket. Political excitement has been high since Monday. Judge B. did not reach Troy until Monday night.

As there was a large crowd present, on Monday, and no Court, the Conservatives called on Mr. Luke Blackmer, of Salisbury, for a speech. He complied and delivered one of the best, most effective speeches for Seymour and Blair, that has been delivered in this part of the State. It had a telling effect. Mr. Robbins, of Ashboro', followed Mr. B. in a short, capital speech.

Montgomery county is, perhaps, one of the strongest Radical points in the State.—It has been the policy of the leaders of the leagues not to suffer any Conservative to make a speech, and they attempted to interrupt Mr. B., but failed. Two *white* men, when Mr. B. commenced talking to the negros, went to them and *ordered* them to leave the Court House, which *they did*. The Rads tried to get up a row, and, that night, a young man, who had formerly belonged to the leagues, hurrahed on the street for Seymour and Blair, as many were doing for Grant and Colfax. The representative of Montgomery county in the House of Representatives, Holden's Trustee of the University and *Colonel of the Militia*, went up and asked who was that hurrahed. The young man quietly replied that it was him. Whereupon, this Representative, Trustee, and Colonel *knocked him down with a slung shot*, which was thought for some time to be fatal!

On Tuesday, the great champion of Radicalism in this part of the State, Col. O. H. Dockery, made his appearance, and of course, had to "let off." He was notified that he would be replied to by Mr. Blackmer. Col. Dockery is personally a very clever man, a popular and effective stump speaker, and can perhaps defend the Radical party as well as any man of the party in the State, but he made a very lame defense at Troy. His speech was confined principally to the abuse of Blair and the old secession party, and "*war, war*" was the burden of his song.

Mr. B. replied to him, and such a used man as was Oliver I have never seen. Mr. B. reviewed the corruption, extravagance and usurpations of the Radical party fully, boldly and forcibly, convinced the crowd who it was that was for *war*, who it was that was crying out *war*—and, to the grief of Oliver and his friends, read one of Oliver's old circulars, which was worded as follows:

"TO ARMS; TO ARMS!

The undersigned is desirous of organizing a volunteer Company to go forth immediately in defence of our rights. WE MUST FIGHT OR YIELD! True men NEVER will surrender their dearest rights, and, as freemen, let us rush forth, "knowing our rights, and, knowing, dare maintain them." The undersigned will be at the Mineral Springs, on Saturday, the 25th. inst., at Coleman's mill, on Wednesday, the 29th., and at Mt. Gilead, on Saturday, June 1st., with a view to the formation of said Company. Come one and all and let us do our duty! O. H. DOCKERY."

May 20th., 1861.

Mr. B. said the war cry came from the men who had issued circulars like the above, and from men, like the man, who had brutally and cowardly assaulted the Conservative on the night previous.

At the conclusion of Mr. B's speech, Col. D. replied for some time, but it was altogether up hill. He could'nt get over that circular, nor could he reply to the many strong points which Mr. B. had made against him and his party.

The Conservatives looked bright and felt good. The Radicals looked sad and felt bad. Look out for a Conservative gain in old Montgomery County! X.

In no State is change in public sentiment against Radicalism more marked than in Ohio, where some of the most prominent men of the so-called Republican party are declaring against it. We have already published several examples. We now add the following from an Ohio paper:

JUDGE BRIGGS FOR SEYMOUR.

Judge R. M. Briggs, of Fayette county, hitherto a bright and shining light in the Republican party, and the R publican candidate for Congress in the sixth district in 1862, addressed a large Democratic meeting at Washington court house last Saturday, and gave the reasons that impel him, and which would induce all men who love their country, to leave the Radical party. He discussed the political situation in all its phases in a most able manner, and closed as follows:

"My friends, I have not one word to say against Gen. Grant. I have no desire to detract in the slightest degree from his fame as a soldier; but in this civil contest now pending, as vital to the best interests of the country as the terrible conflict of arms through which we passed, I can only regard him as the representative of this monstrous policy, the success of which, in my judgment, will as effectually result in the invasion of constitutional liberty as would the success of the Southern rebellion. I cannot, therefore, vote for him. I shall vote the Democratic ticket, because it presents a plan which I think will quickly put the States in their proper relation, and from whence will quickly spring the blessings and prosperity of true peace and true Union."

INDICATIONS OF PUBLIC SENTIMENT—COMING OVER.

The *National Intelligencer* devotes three columns of its last issue, in small type, to recording the changes of leading Radicals and newspapers from the Radical party to the support of Seymour and Blair. We notice a few of the signs:

Nine new Democratic papers have been started in Wisconsin, since Seymour and Blair were nominated. Two Radical papers have quit Grant and now go for Seymour.

Col. McH. Brooks, of Charleston, Cole county, Illinois, a new recruit from the Radical ranks, made an eloquent speech to some eight thousand Democrats assembled at that place on the night of 29th ultimo, in which he announced himself for Seymour and Blair, and gave his reasons for the faith that is in him.

Richard Dalton, Esq., a young and talented lawyer of Ralls county, Missouri, and a prominent Radical, in a speech delivered before the Democratic convention at New London a few days since, formally announced his abandonment of the rotten old Radical hulk, and united his fortunes with the white man's party, in support of its nominees, Seymour and Blair.

Hon. Judge Mellon, of Pittsburg, Pennsylvania, has abandoned the Republican party, and joined hands with the Democrats in an enthusiastic support of Seymour and Blair.

Hon. Franklin T. Backus, of Ohio, a life long opponent of the Democracy, has taken final leave of the Republican party, and made a speech at Cleaveland a few days ago, in which he said: "I say to-night what I never said before, that I stand here a Democrat—a Democrat as defined in the New York Convention. I am willing to fight under the banner of the Democracy; and God willing, we will achieve a victory."

Ex Gov. Sherwood, of Wisconsin, pronounced by Republicans as "a gentleman of great ability and influence," until very recently a Republican, disgusted with the corruption and rascality of his party, has come out unequivocally for Seymour and Blair, and will at once take the stump for the purpose of aiding in their election.

Hon. H. G. Webb, Republican State Senator from the Twenty-third District of Wisconsin, for the past four years one of the ablest and most prominent Republican members of the Senate of that State, has issued a carefully prepared address, in which he gives the reasons why he cannot longer support the present Radical party, and announces his intention to support the candidates of the National Democracy.

Hon. James R. Hubbell, late Republican member of Congress from the Eighth Ohio District, has renounced from Republicanism, and made a speech at a Democratic meeting at Shelby, Richland county, in which he arraigned the Republican party on account of its change of position upon the question of reconstruction, and charged it with the desolation that broods over the South, and the hard times that bear so heavily upon the industrial classes of the North. He is a valuable recruit for the Democracy in the battle for Seymour and Blair.

The Grant electors in Alabama have declined to serve, and have taken the stump for Seymour. A Radical paper in Montgomery has ceased publication for want of support.

Says the Montgomery *Register*: "The colored men of Mississippi, since the late election, are going over *en masse* to the Democrats. In a single county one thousand of them have procured certificates of membership of Democratic clubs." It was the negro vote that beat the Radicals in Mississippi. They were literally hoisted by their own petard. The Radicals had better begin to extend the proscription from the Southern whites to the Southern blacks, if this thing keeps on.

A letter from a prominent politician of Indiana, who has been several times in Congress, assures us that Seymour and Blair, upon the platform of equal taxation, will sweep the States of Indiana and Illinois by commanding majorities; and he stakes his reputation for political sagacity upon the result.

Ex Gov. William F. Johnston, of Alleghany county, Pennsylvania, formally a Radical of the strongest kind, has come out strongly for Seymour and Blair. He made a Democratic speech in Pittsburg a few nights since.

There is a German Democratic club in New York, nearly five hundred strong, nearly all of the members of which are said to have heretofore voted the Republican ticket.

LEAVING THE FOUL PARTY.—The Dayton (Ohio) *Ledger* has received the following communication. It is one of the evidences of the undercurrent. Patriotic thinking Republicans are coming out of the foul party, and joining the party that has banished dead issues, and is contending for those that relate to the present and future welfare of the Republic:

TIPPECANOE, MIAMI COUNTY OHIO, August 31, 1868.

Editors Ledger:

With your permission we wish to say to the readers of your paper that we have abandoned the corrupt Radical Republican party. In this movement we have the company of many who have heretofore acted with the Radical disunionists. We cannot, with any self-respect, act with the negro party. A few months ago, not far from this community, a negro committed a horrible outrage upon a *white* girl. There being no witness to the crime but the white girl and the negro scoundrel himself, the negro was discharged—the girl's testimony not being sufficient to convict a colored individual.

Another negro shot a *white* man, and he, too, was discharged by a Republican court. In September last a white man shot a negro, and, upon negro testimony, was found guilty, and sentenced to the penitentiary for five years!

All true Americans should *unite* and secure the utter defeat and rout of the 'negro' party, and save the country from negro domination. Very truly yours,

Wm. Davenport,	Charles W. Bell,
Samuel Smith,	Samuel C. Wells,
M. C. Fiddler,	George Huffman,
Geo. Williams,	E. L. Davis,
Henry Miller,	David Riley,
E. Sulliger,	J. Pfill.

Marshal Gooding, of Indiana, elector at large on the Republican ticket in 1864, who stumped the State that year to the eminent edification of Republicans, has entered a most emphatic protest against Radicalism and goes enthusiastically for Seymour and Blair.

Two thousand Germans residing in the upper portion of Philadelphia have formed a Seymour and Blair club. These Germans have heretofore voted with the Radical party. Philadelphia will elect the Democratic ticket by at least ten thousand majority.

FROM WASHINGTON.

WASHINGTON Sept. 12, P. M.

At a final interview between the Tennessee Legislature Committee and the President, the President stated that he had given their application mature consideration, and concluded to instruct Gen. Thomas to furnish whatever troops were necessary to maintain peace and to sustain the present Tennessee government. Gen. Thomas can call on the Secretary of War for additional troops, when necessary. The Committee afterwards visited Schofield. The following is the dispatch of the Committee to the Legislature:

"The President will sustain the civil authorities. Orders have been issued to the department commander to sustain and aid the civil authorities, and a sufficient force will be furnished to accomplish such purpose."

Generals Thomas, Hancock and Terry will constitute the Court of enquiry to try General Dyer Chief of Ordnance, on charges brought by the Congressional Committee. The Court convenes here on October 5th.

Revenue, to-day, $243,000.

FROM MAINE—WHAT THE RADICALS SAY THEY WILL DO TO-DAY.

PORTLAND, Sept. 12, P. M.

The Republican State Committee, through Congressman James G. Blaine, after a canvass of every township, estimate that the Radical majority will be over twenty-one thousand.

FROM TENNESSEE—PASSAGE OF THE MILITIA BILL.

NASHVILLE, Sept. 12, P. M.

The Legislature remained in session till midnight, last night, and passed the modified Militia bill, which is now a law. Before the Militia can be set to any county, application must be made to the Governor by ten unconditional Union men or three Justices of the Peace, belonging to said county, based upon allegations that the civil law cannot be enforced, without military aid.

FROM GEORGIA—NEGRO SENATORS OUSTED.

ATLANTA, Sept. 12, P. M.

The Senate, to-day, delared Campbell and Wallace, negro Senators, ineligible, by a vote of 21 to 11. Campbell finished his speech in his defence, and, in conclusion, said: "He knew his doom was certain but claimed the right to enter a respectful protest at the proper time."

The protest of Campbell and Wallace was received by the Senate and entered on the Journal.

UNIVERSAL LIFE INSURANCE COMPANY,

NO EXTRA CHARGE FOR FEMALE RISKS.

LOSSES PAID IN THIRTY DAYS.

No Restrictions on Travel or Residence

OF NEW YORK.

Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of First Class, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a low rate of premium, for stated sums insured, which is **immediate, sure and certain**, in lieu of a high rate of premium and promised dividend, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premiums charged in the first instance.

☞ The premiums charged by the "UNIVERSAL" are nearly one-third lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these Rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

Age.	Ordinary Life Rate	Ten Payments Rate	Age.	Ordinary Life Rate	Ten Payments Rate
25	$21 49	$27 48	45	$35 48	$70 18
30	25 24	43 10	50	44 37	104 97
35	31 34	61 04	55	60 27	142 50
40	40 07	82 44	60	103 23	201 07

Example.—A man aged 30 insures his life for $1,000, and pays 43.10 per annum on the 10 payment plan, and dies after having paid five annual payments, or $215.50, his policy will be good for $1,315.50.

NON-FORFEITING CASH RATES

OF THE

ÆTNA LIFE INSURANCE COMPANY,

OF HARTFORD, CONN.

ASSETS, $10,000,000.

$130 to pay every 100 of Liabilities.

DIVIDEND, Fifty per Cent.

57,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.

Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Value.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount* without further payments, the annual payment of any portion, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON-FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein. It will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase, taken as a single net premium upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed thereon, unless death shall occur under or in consequence of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

COLUMBIAN COLLEGE, WASHINGTON, D. C.

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL, October 7th; the LAW, October 14th; and the MEDICAL, October 19th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the "assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in Science, gathered at this centre, would foster a comprehensive mental development.

The Preparatory School gives a thorough training for business, and preparation for Colleges. The College proper has eight efficient Professors; all the Chairs being filled. The Theological School has three Professors and Lecturers; the Law School four, and the Medical, ten. The expenses are as low as at other Colleges—Number of students the past year, 434. VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

FOR 25 Years I was sorely afflicted with the Piles. After trying every remedy I could hear of, and failing to receive any benefit, in 1857, I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with great success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage. (fifteen cents.) As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys draws from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secury negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragemment to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star-chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme Judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subject ed and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and it sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead lands, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."
